

Elysian Prosecco Brut

Santa Lucia di Piave, Veneto, Italy

Azienda Agricola Salamon Francesco was established in 1968, and at that time, the primary crops they grew were corn, wheat, soy, and a local grape variety called Raboso. However, with time, both the Veneto region and Salamon Francesco shifted their focus toward viticulture and started cultivating popular grape varieties like Glera and Pinot Grigio. They practice conventional farming methods with an awareness of sustainability.

Tasting

Notes

Wine is a bright straw-yellow color with lively bubbles. It's more complex and a less fruit forward style of prosecco. Aroma of green apples, lemon zest, and bready notes. Soft, elegant, and perfectly balanced due to crisp acidity and creaminess from the yeast.
